

Welcome to Discovery Point

DISCOVERY POINT CHILD DEVELOPMENT CENTERS emphasize the child.

We provide a positive, safe, and friendly environment that will afford each child a well-balanced development physically, emotionally, intellectually, and socially. We provide the guidance and structural surroundings to help each child achieve independence.

We realize that parents have entrusted their child to our care with the expectation that we will provide love, kindness, and devotion. We stress the three "A's": Attention, Affection, and Approval in large doses daily.

DISCOVERY POINT offers special features that are unique to us. We provide these benefits:

- An independently owned and operated center;
- A smaller child to teacher ratio;
- Staff are certified in CPR, First Aid, and Emergency Procedures;
- Openness and visibility within the center;
- Self-contained, age-appropriate classrooms;
- Research-based, developmentally appropriate curriculum;
- A separate cafeteria/large activity area;
- A Boo Boo Room;
- Three to four separate playground areas (depending on location);
- A drive-through canopy for cold, rainy weather;
- Technology for children;
- A computerized system for parent/child data;
- Flexible fulltime or part-time enrollment plans;
- Multi-Function School Activity Buses meet school bus transportation requirements;
- A unique Summer Program for school-age children;
- Daily transportation to and from public schools during the school year (schools vary by location);
- Discovery Point Quality Assurance Inspections conducted monthly.

In your search for child care services that will fulfill your family's needs, call or visit our **DISCOVERY POINT** Centers to personally meet the Owner, Management Team, and your child's special teacher.

For the best care, we invite you to choose DISCOVERY POINT.
